REF: Chelsea Chrisman

To Whom It May Concern,

It is my pleasure to write this letter, formally recommending that Chelsea Chrisman be seriously considered for a position with your firm.

Over the last several years, I have provided Chelsea with career guidance and input in the area of my expertise: Marketing, Strategy, and Client Services. In the summer of 2013, we offered her a position to become one of the first paid interns at our company, Productions Plus – The Talent Shop.

From the very first day with us, Chelsea quickly acclimated herself with our processes and culture. As her capabilities were apparent to our entire team, she became our staff's favorite 'go-to' person for help with various projects; including preparation with important client-facing presentations. Chelsea has the confidence to think for herself, ask the right questions, and great attention to detail – all complimented by an infectiously positive attitude.

Without hesitation, I can promise that Chelsea will be an impactful addition to any firm or team lucky enough to bring her aboard.

Please do not hesitate to reach out to me if you should have any questions.

Sincerely,

Nathan J. Russell
